Support the Newark Memorial Day Parade

The Newark Memorial Day Parade is an annual event that is held the third Sunday in May. During this annual event, veterans of wars from all services have continued to march in the parade.

To start to the day, a ceremony honoring our nation's veterans is held on the University of Delaware's Campus Green at Memorial Hall. Local and military bands and drill teams participate in the State Memorial Ceremony followed by the parade on Main Street.

After the parade, a City Memorial Ceremony and drill performance is held at the Newark War Memorial in front of the Academy Building, which is also located on Main Street.

Each year, the costs associated with transporting parade groups, providing a courtesy luncheon for those military units that have traveled some distance to participate, and other related costs have increased. Therefore, an effort is underway to establish a continuing source of income to offset parade costs. These costs total more than $11,000 annually.

To achieve this goal, the parade committee and other interested parties are working together as the Friends of the Memorial Day Parade. Their goal is to receive pledges from at least one hundred individuals, businesses, or organizations in the amount of $20.00 or more, for a total of approximately $2,000.00. This funding is vital to the continued success of the parade and ensuring quality programs in years to come.

A contribution form is included on the back of this brochure explaining how to make your tax-deductible contribution.

We hope to receive your contribution soon and look forward to many successful parades in the future.

Sincerely,
The Newark Memorial Day Parade Committee
