YOUTH/TEEN ACTIVITIES

DOWNES AND WEST PARK ELEMENTARY SCHOOLS BEFORE & AFTER SCHOOL PROGRAM
Grades K-5

The Newark Before and After School Center continues to be very successful. Children that participate in these programs will have an opportunity to engage in a wide variety of activities. These activities include arts and crafts, indoor/outdoor play, games, homework help and special projects. As always we try to meet the needs and interests of our participants. Suggestions are always welcome.

The Before School Center will meet 7-8:15am and is for children in grades K-5 at Downes and West Park Elementary Schools. Our After School Center will meet 3-6pm for children in grades K-5 at Downes and West Park Elementary Schools. One month's tuition is due at time of registration. The program will not operate when schools are closed. State of Delaware information forms are required prior to your child attending, and paper work will be mailed to you after registration is received.

ACTIVITY REGISTRATION

Newark Residents processing begins now!

Non-Residents may mail, walk in, fax your registration form at any time or **register online at www.cityofnewarkde.us/parksrecreation**. Forms will not be processed until January 6 in the order in which they are received.

Resident Discounted Fee (RDF)

The City of Newark Parks and Recreation strives to provide quality and affordable recreation opportunities to the community. In recognizing that City of Newark residents support our department along with other City Services, through their city taxes, the City offers residents a discounted fee. Non-residents will pay the regular fee for the programs.

MAD SCIENCE: SPACE THE FINAL FRONTIER
Ages 7-13
Throughout the week, brave young astronauts will explore the mysteries of space. Our young scientists study the planets and stars and what kinds of tools are used for space exploration. Children will discover not only how astronauts get into space, but also how they live and work once they get there. They will learn about gravity, propulsion and the basics of rocket science through fun, hands-on activities. Children will come to understand that propulsive forces can come from many sources, will experiment with balloon rockets and will make their own air rockets to take home. They will learn firsthand about the aerodynamic properties of flying machines by building their own Mad Science ® model rockets! Once the rockets are completed, children will blast off on a real Mad Science space mission with the grand finale, the rocket launch!

How to Watch a Good Activity Die

Nothing kills a good activity more quickly than everyone waiting until the last minute to register. You see, there's a point where, if there are not enough registrants, an activity is cancelled.
Coming on the day of the activity to sign-up won't resurrect it, so please register early.

TEN AND UNDER TENNIS
Ages 5-10
It's a whole new ballgame for kid's tennis! With equipment and courts tailored to suit their needs and abilities, kids will feel confident as soon as they pick up a racquet. Using the QuickStart Tennis format allows kids to rally back and forth over the net right away and enjoy the game right from the start. You'd never send your 8-year-old out with adult-sized equipment to a full-sized baseball field or basketball court, so why do that on a tennis court? Lessons will be fun and taught in a playful manner. Racquets will be provided. Children should wear sneakers and bring water to drink.
