How to Watch a Good Activity Die

Traffic Island Beautification Program

The City of Newark's Parks and Recreation Department would like to extend a unique opportunity to you and your business. We would like to invite you to take part in helping to beautify our community and also allow your business to be seen on heavily traveled roads by residents and visitors. To show your support an island beautification sign is placed at a site with your business name printed on it. With the completion of Del DOT's improvements to South Main Street/Elkton Road, there are many sites available. For more information please call the Recreation office at 302-366-7060.
